REPORT NO. 1 OF BOARD OF MISSIONS.

The Board of Missions respectfully requests the presiding Bishop to make the following appointments:

R. M. Archibald, Conference Missionary Secretary.

The General Board has assessed our Conference as follows:

Home Missions\$ 6,924.00

Foreign Missions 21,700.00

We recommend that the assessment for Conference Missions be made \$11,400.

JAS. D. HUNTER, Secretary.

This report amended.

REPORT NO 2 OF BOARD OF MISSIONS.

A significant paragraph from a letter from the Secretaries of the General Board of Missions gives a concise statement of the missionary status of the past year:

"Your Secretaries are happy to report that in the midst of the abnormal war conditions the cause of missions holds on its way without interruption. We have **made good progress** during the three years of the war, and so far the year 1917 has been the best of the three. The fields where our work is located have not suffered any direct effects that would tend to interfere with the work, and those indirect effects which were so much feared in the beginning of the war have proven groundless. The testimony of the missionaries is that the people are even more responsive than ever and the faith of the native Christian is unshaken."

So, then, in these crucial times if we would save the soul of the church we must heed the cry of the millions.

According to reports from the General Board, perhaps never before did so many churches send in their collections so early as during last year. During the first six months of 1917 the collections were 40% greater than for the same period the year preceding. This saved in interest a sum sufficient to send out a married missionary. So, then, recognizing the wisdom of early collections, the Board urges that the every-member canvass be made wherever practicable and as soon as possible, the collections taken and promptly remitted.

If we would develop a missionary conscience and bring forth a sufficiently comprehensive missionary motive to compass the program of our Lord, the informational and inspirational sources of our church must be brought into intimate relationship with every congregation. Our people will not "go" out of proportion to what they "know."

If the Board depended, absolutely, on the amount for assessments for the promotion of the work, perhaps one-fourth or more of the missionaries would have to be recalled and a policy of severe retrenchment inaugurated. The Board, therefore, urges a universal observance of Missionary Day in our Sunday Schools and the carrying of specials as indicated by the Discipline.

Recognizing our shameful neglect and the dire need of our rural and disorganized sections, the Board recommends the hearty co-operation of the Presiding Elders, Pastors and Laymen with our Conference Missionary Secretary in the raising of \$6,000.00 as a special to promote the interest of the Kingdom within the bounds of our own Conference.

The year 1919 will mark the close of the first one hundred years of missions in the Methodist Church. The General Board of our church is co-operating with the Board of the M. E. Church in plans for a joint celebration. Your Conference Board recommends that our Conference assure the General Board of our heartiest support in making this jubilee a celebration worthy of our great church.

Your Board notes the following amounts collected as specials:

Foreign Missions, through Sunday Schools.....	\$4,773.68

REPORT OF BOARD OF EDUCATION—NO. 1.**1.—Majority Report.**

A majority of the Board of Education recommends the adoption of the following by the Conference:

Proposition for the Unification of Alabama Methodism in One Male College Located at Birmingham.

This proposition has been endorsed by the Alumni Association of Birmingham College.

The Birmingham Chamber of Commerce and the Birmingham Civic Association join in the invitation to the Alabama Conference, and promise to co-operate with us in raising the \$100,00 necessary to consummate the plan.

To the Bishop and Members of the Alabama Conference of the Methodist Episcopal Church, South, in Session at Dothan, Ala., November 28, 1917.

Dear Fathers and Brethren:

Whereas, the North Alabama Conference and the Alabama Conference in the maintenance of their respective male colleges are employing two faculties and providing and maintaining facilities which could be as well, if not better done, by one college with the united support and co-operation of both conferences; and

Whereas, the present state of public affairs has increased the burdens under which each of these two colleges is laboring, and multiplied the difficulties that interfere with their development; and

Whereas, we believe that these onerous conditions can be relieved, our educational problems simplified and the best interests of this vital part of our work greatly enhanced by the union of these two male colleges and the consequent combination of supporting forces behind them;

Therefore, we believe the present to be the opportune time for the accomplishment of the much to be desired and long considered unification of Alabama Methodism in male education; and,

Therefore, be it resolved, that the North Alabama Conference in session at Woodlawn, October 31, 1917, does hereby extend to the Alabama Conference a cordial and brotherly invitation to unite with them in making the institution at Birmingham the male college of the two Conferences, and expresses the hope that you will accept it at the present session of your Conference, as hereinafter outlined; and, as a basis for this united action, we make the following proposition:

1. The North Alabama Conference agrees to deed to the Alabama Conference an undivided one-half interest in the campus of Birmingham College, at Birmingham, Alabama, containing forty acres, more or less, together with all buildings, furnishings and equipment situated on said campus and used in said buildings. These are:

One Administration Building of brick, containing chapel, society halls, recitation rooms and offices.

Three wood dormitories, with concrete foundations, fully equipped with all modern and sanitary conveniences.

One wood gymnasium, with equipment.

One professor's residence.

These are all modern and have been recently repaired and improved at an expense of over \$10,000.00; also

Science Hall of brick and stone, with steel stairways and fire-proof corridors, erected in 1916.

It contains over twenty rooms for library, laboratory and class work, and a fire-proof vault for the storage of valuable papers and books.

In addition, the North Alabama Conference agrees to erect (as the next unit in a landscape scheme of twenty-three buildings) an additional dormitory, modern in every respect, to cost when completed and furnished not less than \$40,000—all to be done without any financial liability on the part of the Alabama Conference.

Further, the North Alabama Conference will press its campaign for endowment until \$100,000 has been secured, independent of any sum for endowment which may come from or be raised by the Alabama Conference, and on or before June 1, 1918, the Board of Trustees of the Birmingham College will give to the Joint Commission herein to be created, satisfactory assurance that this endowment will be available.

However, all other property, save the aforementioned, in the form of lands, notes, subscriptions, etc., now in possession of the Birmingham College, or that may be secured therefor prior to the time of this transfer, to be turned over to the Joint Commission, the proceeds of which are to be applied as a credit to the North Alabama Conference in carrying out its engagement hereinbefore specified.

In consideration of these premises the Alabama Conference to convey in proper legal form to the North Alabama Conference an undivided one-half interest in the campus, buildings and equipment of the Southern University, at Greensboro, Alabama, and in the endowment funds of said Southern University. All the property above mentioned to be conveyed by either Conference to the Joint Commission to be free from any debt, claim or encumbrances whatever.

2. All the property, including the endowment, of both the Birmingham College and the Southern University to be the joint property of the two Conferences, and to be administered and disposed by a Joint Commission of twelve men, one-half of whom shall be laymen and one-half preachers, to be elected by the Conferences at their sessions for 1917; the North Alabama Conference to elect three laymen and three preachers, and the Alabama Conference to elect three laymen and three preachers, who shall constitute the Joint Commission and shall proceed at once to carry out in accordance with the laws of the State of Alabama the provisions of this unification, so as to have the united college open its doors and be-

gin its work, as successor to the two colleges herein named, for the session of 1918-1919.

3. The Board of Trustees of Birmingham College and the Board of Trustees of the Southern University are instructed by the North Alabama Conference and the Alabama Conference, respectively, to execute the legal papers necessary to making the transfer of all the properties and funds now held by them to the Joint Commission above provided for, which Joint Commission shall hold in trust for the two Conferences all such property and administer the same in the interest of the united college. The Joint Commission shall have and is hereby accorded full authority to do any and all things necessary to the carrying out of the purposes herein stated and outlined, having due regard to the protection and guarding of the traditions of both colleges, which are to be succeeded by the united college, and of the rights and interests of those who have received diplomas from either the Southern University or the Birmingham College, also to the fact that the united college is the legal successor of each and both of these institutions, and in it as such is to inhere all the legal and property rights of either and of both of these colleges.

4. The Joint Commission is to interpret this basis of union and definition of their powers liberally, as the main purpose of their appointment is to secure the unification in male education of the two Conferences and it is not desired to hamper them with any technicalities, we having full confidence in their fidelity and wisdom to carry out the intention of the Conferences as herein outlined. But nothing in this instrument is to be construed as giving authority to the commission appointed hereunder to deal with the question of female education.

5. Each of the two patronizing Conferences to assume its pro rata of annual assessment of from \$15,000.00 to \$20,000.00, the proceeds of which are to be used in paying the current expenses of the united institution. This amount being fixed by the Joint Commission, is to be by them reported to the 1918 session of both Conferences, after which it is to be changed only with the consent of both Conferences.

6. The Joint Commission is given the power to utilize the plant at Greensboro, either as a high school, adjunct to the united college, or in any other way that they may deem wise and advisable.

7. In organizing the first faculty of the united college, the Commission, acting as trustees of the institution, are urged to use as far as practical the men who now compose the faculties of the two colleges to be united.

8. When the North Alabama Conference and the Alabama Conference shall have adopted this paper and each has elected six members to represent them on the Commission, the Joint Commission shall meet within sixty days at such place and date as they may determine on consultation, and shall organize as a Joint Commission by the election of the usual officers, and with full legal authority necessary to carry out the instructions herein given, shall proceed at once with their work.

9. They shall provide for the permanent establishment of a Board of Trustees of twenty-four members, six preachers and six laymen from and to be elected by each Conference, making provision for the terms of office of one-third of this number to expire annually, and their successors to be elected by their respective Conferences, and they shall report to the sessions of the annual Conferences for 1918 the result of their labors, together with any other recommendations they see fit to make for the future management of the college.

10. This Joint Commission to continue in office until the above mentioned Board of Trustees shall have been elected and organized, when they shall make all proper transfers necessary to give the Board of Trustees full authority to exercise all the rights and duties of their office.

It is hereby suggested and agreed by the North Alabama Conference, but not as a part of the above proposition, that Bishop J. H. McCoy be requested to act as Chairman of the Joint Commission created under the above authority.

2.—Minority Report of the Board of Education.

We recommend the adoption of the minority report of the Trustees of Birmingham College, as an amendment to the majority report.

This minority report is as follows:

We, the undersigned members of the Board of Trustees of the Birmingham College, in view of our joint responsibility to the college and to the Conference, while in hearty accord with the main purposes of the paper presented by the majority of said Board, believe that in a matter of such momentous importance the very greatest care should be exercised in the stating of any propositions made by this Conference, and believing further that in two particulars at least, the paper proposed has dangerous possibilities, feel constrained to propose two amendments thereto.

1st. Inasmuch as the commission provided for therein, is given plenary power to complete the union of the two Conferences in the ownership and control of the Birmingham College without again referring the matter to this Conference, whereas the Alabama Conference may wish to make a different proposition, we offer as an amendment to Sec. 4 of the paper presented by the majority of the Trustees, the addition of the words "or to alter any of the conditions herein set forth."

2d. That whereas, Sec. 6 of said paper gives authority to the Commission "to utilize the plant at Greensboro for a high school adjunct to the united college, or in any other way that they may deem advisable," we believe that the North Alabama Conference should be relieved of any responsibility for a secondary school operated in the bounds of the Alabama Conference, which if the union of the two colleges is perfected, must necessarily be a local enterprise, and that the large powers granted to the commission by this section might be used in such manner as not to be in accordance with the wishes of this Conference, we propose to strike out that section entirely and to substitute the following:

"If the Commission shall find it legally possible and advisable to sell the campus and buildings at Greensboro, Ala., the proceeds of such sale shall be added to the endowment fund of the joint institution. And in the event that it be deemed best to operate any school in this property, that the North Alabama Conference shall forever be absolved from any responsibility for the support and maintenance of such school."

GEO. W. READ,
JAS. A. DUNCAN.

REPORT OF BOARD OF EDUCATION—NO. 2.

We have had before us reports and representatives of the various educational institutions, and have carefully investigated the conditions under which each is doing its work. We believe that they are all faithfully administered.

We urge that every Sunday School observe Vocation Day. That all undergraduates be requested to take their studies through the correspondence school, and that our examining committees strictly keep the law in recommending those who seek admission on trial.

We recommend the same assessment as last year, as follows: General Board, \$4,023; Birmingham College, \$15,000; Athens College, \$4,000; Woman's College, \$3,000; Expenses of Board, \$100, and in addition thereto we offer the following resolution:

That in order to aid Athens College in meeting the requirements of the General Board of Education in maintaining its "A" Grade classification, we recommend a special annual assessment of \$3,000 to continue until the mortgage debt on the college property shall have been paid; at which time the continuing assessment heretofore made by this Conference for the payment of said debt, shall be released for classification requirements.

At the request of the Trustees of the Woman's College we offer the following:

Be it resolved by the North Alabama Conference of the Methodist Episcopal Church, South, the Alabama Conference of said church concurring, That the Trustees of the Woman's College of Alabama be and they are hereby authorized and empowered to borrow from time to time such additional sum or sums not exceeding Fifty Thousand Dollars (\$50,000.00), as they may deem necessary and proper, for the erection and equipment of buildings, and for the proper conduct of said college, and to secure such loans from time to time by the execution and

delivery of mortgages and deeds of trust upon such portions of said property as they may deem proper for the reasonable security of said loans.

We recommend Birmingham College for classification as a "B" Grade college, Athens and the Woman's College for "A" grade, and Flat Rock High School for financial aid from the General Board of Education.

We have received from the Conference Treasurer \$14,928.85.

This we have disbursed as follows:

General Board	\$2,266.85
Birmingham College	8,491.00
Athens College	2,264.00
Woman's College	1,698.00
Expense of Board	35.00
Printing Minutes	174.00

We recommend the election of the following Trustees:

For Birmingham College: J. I. Williams, T. C. Banks, J. S. Chadwick, F. W. Brandon, F. M. Jackson, J. H. Adams, J. W. Johnson to succeed themselves.

For Athens College: H. B. Malone, E. J. Garrison, E. B. Norton and S. T. Slaton to succeed themselves and W. H. Stockman and J. C. Kumpe to succeed P. W. Hendricks and R. N. Cartwright.

For Woman's College: L. C. Branscomb and J. H. Wilson to succeed themselves.

We recommend the following appointments:

B. B. Glasgow, President Athens College.
 Wm. G. Echols, Professor in Athens College.

 W. L. Capps, Student Birmingham College.

GEO. W. READ, Secretary.

REPORT OF COMMITTEE ON LAY ACTIVITIES.

We recommend that the first Sunday in April, and not later, be set apart as a day for an Every Member Canvass for collecting our connectional claims. We urge all preachers and laymen to see that this canvass, as an essential to success, be made vigorously.

We recommend that a laymen's meeting be held in every charge once in every quarter, either on the fifth Sunday or at such other time as may be more convenient.

We recommend further that a preachers' and laymen's institute be regularly held in every district, and that the first one be held in connection with the district stewards' meeting, at which time plans for the year's work should be discussed and projected.

Respectfully submitted,

T. H. RADNEY,
 W. D. GRAVES,
 F. B. YEILDING.

REPORT OF THE EPWORTH LEAGUE BOARD.

The Epworth League Board notes with pleasure the progress of the Epworth League in our Conference as is shown by the fact that every district is to hold a District League Conference in an organized form next spring.

Let our pastors see that Anniversary Day is observed and the collection taken, and the proceeds sent to F. M. Cottle, treasurer, Gadsden, Alabama, as directed in paragraph 309 of the Discipline.

We ask that the District Conferences and the Annual Conference continue to give a special hour to the interest of the Epworth League.

We urge the Epworth Leagues to begin at once to prepare for the employment of a field secretary and ask them to take some action relative to this matter at their next annual meeting.

We ask the co-operation of the pastors in the effort of the Central Office of the Epworth League to carry out the "Big Drive" in order that we may adhere to the requirement of the Discipline and organize Epworth League Chapters in every congregation.

We note with pleasure the action of the Epworth League Conference in adding an institute feature to their next annual meeting. We urge all our pastors to attend this annual meeting of the Epworth Leaguers.

(Signed)

R. E. TYLER, Chairman.

J. M. McCLESKEY, Secretary.

REPORT OF SUNDAY SCHOOL BOARD.

It is a source of gratification to note the gradual progress that is being made in the Sunday School work of the North Alabama Conference. With our standard of efficiency set as the ideal, the training of teachers will finally solve many problems and the Work of Wesley classes is reaching the unreached and overlooked man. The indifference of many of our people toward modern Sunday School methods is to be lamented. It is a deplorable fact that our Conference falls far below many other Conferences of equal strength in the Children's Day collections. This day should not be regarded lightly, as it means much in holding the youth of our church, therefore we recommend that each church regard the Discipline and not fail to observe Children's Day, making it one of the real high days of the year.

We urge particularly the organization of teacher training classes and Wesley classes, and the resuscitation of those which are dormant.

Our literature, taken as a whole, is a compendium of thought which makes the student eager to search for gold in the unexplored mines of God.

The war opens a great field for Sunday Schools to "do their bit." The Sunday School War Council is asking every Sunday School in our church for a special Christmas offering for Armenian and Syrian relief. Let us heed this appeal which comes to us just now from Bible lands. Send offerings to Dr. E. B. Chappel, Nashville, Tenn.

We heartily commend the work of our retiring Field Secretary, Rev. C. Wolford, whose zeal and enthusiasm has inspired many workers where he has touched the Sunday School life.

We recommend the appointment of Rev. H. M. Hurst as Sunday School Field Secretary for the North Alabama Conference.

J. B. WADSWORTH, Chairman.

HENRY M. HURST, Secretary.

Report of the Treasurer of the Sunday School Board.

REPORT OF BOARD OF CHURCH EXTENSION.

We note with gratification the steady growth of Church Extension interest in our connection as evidenced both by the steady increase and the amount annually received on assessment, and in swelling of the general loan fund to the million dollar mark.

Our own Conference is not doing what we ought for this interest. We last year paid only 59 per cent. of our assessment, or \$.07 per capita. We ought to pay 100 per cent., which would be approximately about \$0.12 3-4 per capita, or a fraction over one penny per month. The goal of 100 per cent. can never be realized unless our preachers take the interest on their minds and hearts and bring it specifically before our people.

Our Conference Loan Fund which had its beginning only seven years ago is now fifth in size among the Conference Loan Funds with a capital of \$5,581.48. We are adding to the fund at this session of the Conference \$1,500.

We note that our preachers are heeding the admonition of the Board in urging their people to ask for loans, except in extreme cases, thus making our fund many times available. With the low rate of 4 per cent, interest per annum and the ample arrangement as to time for repaying ought to appeal to our congregations who need Church Extension aid.

Our Conference reports only one Birthday Jar, with a contribution \$4.91. We ought to have one in every Sunday School. We note that the general office has completed plans for a Department of Church Architecture and we earnestly commend this to our preachers in the country circuits and stations who contemplate building and who have not the advantage of local architects.

Our Board has provided for the presentation of Church Extension to our various district Conferences and we request Presiding Elders to grant ample time for its consideration. We urge our preachers to freely use the literature of the General Office which may be had for the asking. Let us advertise the work among our people. A wide-awake pastor may often direct a bequest or suggest an annuity to some one making their will or looking for a safe investment for their funds for old age.

REPORT OF AGENT OF SUPERANNUATE HOMES.

Birmingham, Oct. 31, 1917.

To the Bishop and Members of the North Alabama Conference.

Dear Brethren: In the providence of God, we have had another very successful year in our efforts to provide homes for the superannuated preachers of our Conference, and widows and orphans of deceased preachers.

We have bought a splendid home at Hartselle, in the Decatur District, known as Dr. W. A. Barclift and Wife Superannuate Home. The old home donated by Dr. Barclift, deceased, several years ago was sold by your Executive Committee and the proceeds used in the purchase of the new home. Some contribution was made also by the Board of Trustees for that Home. It is occupied by Rev. D. W. Ward, who superannuated at our last Conference.

We have built a good Home at Owenton, in the Birmingham District, which is occupied by Mrs. Evin Nicholson, widow of Rev. Evin Nicholson, deceased. Sister Nicholson had a life interest in a cottage that burned last spring. She donated a lot and everything that could be used in the wreck of the old building to the church, to be used in providing a Superannuate Home. This was a very generous donation upon the part of Sister Nicholson, and the Home will bear the name of her good husband, who went to heaven a number of years ago.

The Jno. E. Morris Memorial Home at Springville, in the Gadsden District, is occupied by Rev. W. McD. Howell, who superannuated at our last Conference.

The Executive Committee authorized your agent to negotiate a sale for the Letsinger farm near Sheffield in the Florence District. The same was sold Nov. 10, 1916, for \$5,980.00; one-fourth cash, balance in three equal annual installments. The deferred payments bear 8 per cent. interest, and are secured by mortgage on the farm. Your Board of Trustees excuted deed for the same, and by request of the parties who purchased the property, we respectfully ask the Conference to adopt the following resolution:

Whereas, Martha O. Letsinger, by her last will and testament, devised and bequeathed to certain Trustees of the Superannuated Fund for the Methodist Episcopal Church, South, subject to the control of the North Alabama Conference, the following described lands, located in Colbert County, Alabama, to-wit:

One hundred forty-nine and one-half (149 1-2) acres, known as the Martha O. Letsinger land, being the W 1-2 of N.E 1-4, except ten acres in the Northeast corner thereof, and the N. 1-2 of the S.W. 1-4, except one-half acre of land conveyed by Samuel Hugley and wife to the Trustees of Mount Olive Missionary Baptist Church, colored, by deed dated November 22nd, 1890, said half acre being described as beginning at the Southwest corner of said North half of Southwest quarter and extending north 70 steps along the west boundary line of said quarter section, thence east 35 steps, then south 70 steps to the south boundary line,

thence along said boundary line 35 steps to the beginning, all of said lands being in Section 19, T. 3, South, R. 10, West.

And whereas, Peyton Norville, E. J. Garrison, Mack Pearce, J. S. Robertson, W. L. Densmore J., D. Moore, F. I. Tarrant, N. M. Rowe, J. H. Walston, L. F. Stansell and D. Isbell, as Trustees for Homes for Conference Claimants (Superannuate Homes) North Alabama Conference Methodist Episcopal Church, South, did on the 10th day of November, 1916, for a valuable consideration, execute a deed for said lands conveying the same to Emmet O'Neal, W. T. Simpson and R. T. S. Johnson:

Be it therefore resolved by the North Alabama Conference of the Methodist Episcopal Church, South, in regular session assembled, that the said deed of conveyance be, and the same is hereby in all respects ratified and confirmed.

L. G., Jettyjohn has painted the Lydia Pettyjohn Home at Powderly, Bessemer District, and Mrs. L. M. Brooks, who occupies same, reports about \$100.00 expended by her in substantial improvement.

We have put a new roof on the Springfield and Littleton Home, at Guin, in the Jasper District. Rev. J. J. Crow has spent about \$40.00 in repairs on the Home occupied by him at Bessemer. Other substantial improvement and repairs have been made by our claimants on the Homes.

Mr. C. W. Green, of Birmingham, has pledged 80 acres of land near Columbiana for Superannuate Homes.

Dr. W. C. Gewin, Birmingham, has pledged five acres of land for this great cause.

We have thirty-three homes. They are kept insured and premiums paid to date.

Our cash receipts aggregate	\$ 6,000.00
The approximate value of our Homes is	83,000.00
The approximate value of Homes pledged is	32,000.00

Our Claimants appreciate beyond measure this special provision made for them by our great church.

Your agent feels very grateful to your efficient Executive Committee, composed of Rev. J. W. Johnson, D. D., chairman; J. D. Moore, Treas.; Rev. J. D. Simpson, D. D., Dr. F. I. Tarrant and E. J. Garrison, together with your worthy Board of Trustees, composed of all the Presiding Elders of the Conference and one layman from each District, for their special assistance in this great movement of the church.

Our hearts are filled with gratitude to God for His special blessings, guidance in this great cause.

Respectfully submitted.

J. W. NORTON,
Agent and Trustee.

ORDINATION.

I, Collins Denny, a Bishop of the Methodist Episcopal Church, South, certify that on Sunday morning, November the fourth, in the year of our Lord nineteen hundred and seventeen, after a sermon I preached in the Methodist Episcopal Church, South, in Woodlawn in the State of Alabama, did ordain to the office of Deacon in the Church of God each of the following traveling preachers, each one having been duly elected to that office by the North Alabama Annual Conference of that church, and each one having been presented for ordination by W. E. Immediately after ordaining the Deacons in the laying of hands, assisted by the Elder named and also by J. S. Robertson, J. W. Johnson and W. E. COLLINS DENNY.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

We, your Committee on Books and Periodicals, beg leave to submit the following report:

It is a matter of interest that the business of our publishing house is increasing and the institution is in sound financial condition. We urge our Sunday Schools to use our own literature and patronize our publication. We recommend the Methodist Review to all our preachers and laymen. The Missionary Voice and Epworth Era, worthily represent our great church. The Christian Advocate deserves a greater circulation among our people. We recommend Dr. J. S. Chadwick as Assistant Editor of the Christian Advocate. The Alabama Christian Advocate has had another year of progress, only two Advocates of our church having wider circulation than the Alabama Christian Advocate. We heartily commend the great work which has been done for the paper by Dr. L. C. Branscomb. The usefulness of the paper and its need call for the undivided support of our people. We urge our preachers to put it in every home. We recommend the appointment of Dr. L. C. Branscomb Editor and Business Manager of the Christian Advocate. We recommend that an assessment amounting to 1 per cent. of the assessment for the support of the ministry be levied on the Conference for the support of the Alabama Christian Advocate.

J. H. PASS, Chairman.

G. M. DAVENPORT, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE.

We, your Committee on Temperance, beg leave to submit the following report:

It is a cause for thanksgiving and encouragement to all that the Senate of the United States, upon its part, has submitted to the several states for their action thereon an amendment to the Federal Constitution prohibiting the manufacture, importation, sale and use of intoxicating liquors as a beverage. We respectfully and earnestly urge all our people to use all proper means to have the House of Representatives to take similar action at the earliest date practicable. We hereby register our protest against Alabama being misrepresented on the floor of the Senate, and pray for the day to soon come when we shall be truly represented such as we are—a dry state. We rejoice at the greatly improved conditions throughout our great state as the result of state prohibition, and urge our citizens to be ever watchful, active and persistent in the use of every legitimate means to uphold and continue this great and good work, and we further urge all our good people, as far as in them lies, to prevent any man reaching any high office in this bone-dry state who is not expressly known to be in perfect accord with, and to be giving willing support to, the measures and methods of the religious, moral and temperance forces of our country to keep this state bone-dry, and to secure nation-wide prohibition.

In this day, when our government in its administration demands food conservation, we most strenuously object to any of our Representatives, either in the Senate or House of Representatives, giving their aid and support to any business, cause or interest which takes food from the mouth of the mothers and children of this country, and which allows the brewers and distillers to convert the by which this great task may be accomplished, we wish to recommend it for support to all our people.

In 100 years the American Bible Society circulated more than 117,000,000 copies of the scriptures in hundreds of languages abroad and in the United States.

One million Testaments in forty tongues were distributed to armies in 1915-16.

Now comes the tremendous task of supplying our own boys with Testaments. Every soldier and sailor ought to have a Testament for his personal use. Some are glad to pay for them, but to others they must be given free. Some turn them into a virulent poison, to debauch and destroy so many of our citizens, only

that they may get financial gain for themselves. We approve the course of Rev. Brooks Lawrence as Superintendent of the Anti-Saloon League, and endorse its work, and also of that of the W. C. T. U. We believe and hope all the moral, religious, and temperance forces will continue in their united efforts till the blighting curse produced by the sale and use of intoxicating beverages is removed from our midst, and the whole land of our great country shares the blessing of nation-wide prohibition, the glory of a stainless flag, and the honor and happiness of a sober, prosperous and virtuous people. We recommend that Rev. Geo. R. Stuart and Rev. L. C. Branscomb be elected delegates to the National Anti-Saloon League to be held in Washington City next December, and that Rev. J. A. Duncan be elected alternate-delegate thereto.

On behalf of the committee.

L. F. WHITTEN, Chairman.
S. N. BURNS, Secretary.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

We, your Committee on District Conference Records, beg leave to make the following report.

We have examined all the records and find them well kept. Some show unusual care and painstaking effort.

Respectfully submitted,

R. H. HARTFORD, Chairman.
JNO. A. WALES, Secretary.

November 3, 1917.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, believing that God's Law is the only foundation on which any government can build a citizenship that will honor God and bless the world,

And realizing that upon the keeping of God's Holy Sabbath in accordance with His will rests the physical and spiritual welfare of man,

We deplore the growing tendency upon the part of many to use this day as a day of pleasure seeking and for the transaction of ordinary secular business.

Upon the Church of God rests the responsibility to use her utmost influence to persuade our people to refrain from this violation of God's Law, and we urge our ministers and Christian laymen to suppress, so far as in their power lies, such desecration of the Sabbath and to preserve to us and to future generations God's Holy Sabbath as a day of rest and worship.

Respectfully submitted,

S. P. McCAY, Chairman.
W. H. PETTUS, Secretary.

REPORT OF THE BIBLE SOCIETY BOARD.

What the Bible has done for us, it can do for other races. It lives; and it gives life because it is itself throbbing with the divine life.

We, who have profited most by the scriptures, are bound alike by duty, gratitude and self-interest to put them within the reach of all our fellow men.

And as the American Bible Society is the most effective and economical agent

The American Bible Society is trying to furnish these promptly, but the funds do not permit so large a draft on the income which is wholly insufficient even for the ordinary work.

All the friends of the Bible and the Bible Society are therefore earnestly asked to do their part in raising a special fund of \$400,000.00 for this purpose, and in order that the North Alabama Conference may do its part, your Bible Society Board wishes to offer the following resolution:

Resolved, That the second Sunday in December, 1917, be observed as Bible Day and the cause of the Society be represented by our preachers and an offering taken and sent at once to T. C. Banks to be applied on this \$400,000.00 fund.

J. H. VANN, President.
H. P. WAITS, Secretary.

REPORT OF THE DIRECTORS OF THE ALABAMA METHODIST ORPHANAGE.

The Board had two meetings during the Conference year past, and we are pleased to report that the Superintendent and his aids have been diligent and pleasingly efficient in their duties. The buildings are in good repair, the departments are neat. The Executive Committee of the Board meets the Superintendent monthly and approve and pass on every bill paid and meet frequently at intervals as they pass on each applicant and approve each dismissal as the children come and go. The Treasurer has his accounts in good shape. His service has been highly satisfactory.

We reported last year. Number children in the home, 92; number admitted this year, 29; number dismissed, 31; total now in the home, 90; from the Alabama Conference, 44; from the North Alabama Conference, 46.

The health of the children has been all that could be asked.

Finances.

The Board appreciates the generous response to our call for additional funds which enables your institution to show in the general cash account a balance on hand of about \$2,000, near the same balance on hand as last year. The high cost of necessities make necessary that our friends be awake to our support financially.

Your Board enthusiastically endorsed the work of Rev. J. C. Craig, and hereby requests the Presiding Bishop at his Conference to re-appoint him. We also tender deserved mention of Sister Craig, who was not an employee but is indispensable in her faithful service which is beautiful and continuous.

The officers for another year are: J. H. Wilson, President; J. M. Dannelly, Secretary; W. F. Ormand, Treasurer.

We recommend the appointment of S. L. Dobbs for a term of 5 years; L. C. Branscomb, 1921; S. L. Dobbs, 1922, M. P. Phillip, 1918; C. W. Seale, 1919; J. H. Wilson, 1920.

J. M. DANNELLY, Secretary.

MEMOIRS

ISAAC Q. MELTON.

Rev. I. Q. Melton was born July 6th, 1844, in St. Clair County, Ala. He was the son of Rev. John Melton and his wife, Mary Sewell Melton. His father dying in 1858, Brother Melton lived on the farm with his mother until the breaking out of the Civil War, when, in his 17th year, he joined the Confederate army, serving as fifer in the 25th Alabama Regiment. At the close of the war he returned to his native state and in 1866 he was married to Fannie Ellis, daughter of Rev. Enoch and Statia Atkins Ellis. Early in 1867 he was licensed to preach by a quarterly conference presided over by Rev. Theophilus Moody, Dr. John P. Ralls serving as secretary. In November, 1870, he was admitted on trial into the North Alabama Conference, its initial session. In 1871 Bishop Pierce ordained him Deacon in the town of Florence and in 1874 he was ordained Elder by Bishop Doggett, in Huntsville.

His appointments were as follows: 1871-2, Coosa Mission; 1873, Valley Head Circuit; 1874, Cedar Bluff Circuit; 1875, Dadeville Circuit; 1876, Dadeville Station; 1877-8, Cedar Bluff Circuit, 1879-80, Courtland and Town Creek; 1881-4, Collinsville Circuit; 1885-7, Fayette Circuit; 1888-9, Guntersville Station; 1890-1, Murphree's Valley Circuit; 1892-4, Warrior and Blount Springs; 1895, Guntersville Circuit; 1896-7, Springville Station; 1898-9, Piedmont and Spring Garden Circuit; 1900, Jacksonville and Piedmont; 1901, Jacksonville and White Plains; 1902, Hargrove Station; 1903, Warrior and Hanceville; 1904-7, Bridgeport Station; 1908-9, Corona Station. At the Conference of 1909 he asked for the superannuate relation and his request being granted he made his home for several years in the Tarrant Superannuate Home in North Birmingham.

Brother Melton did a great deal of hard work. During his ministry he built five houses of worship and four parsonages, repairing and improving many others. He loved to preach and the people delighted to hear him. He received many hundreds into the church and was faithful to all the obligations and responsibilities of the Methodist ministry. He loved his work, he loved the brethren and he had a warm place in the affections of his Conference. Brother Melton had one peculiarity that if many others possessed it, the world would be the happier. He would not go in debt. For forty years he never contracted a debt to any man for even the smallest amount. He lived on his income, though too often that income was very small. Yet the Lord provided for him and he never suffered for any good thing.

For some time he had been making his home in Woodlawn, where his devoted daughter lived, Mrs. J. A. Collins, the wife of Dr. J. A. Collins. He wrote in his diary: "My faithful wife and I are still walking side by side, trusting in the Lord. We feel that He has always been with us and will be to the end. In age and poor health I find it harder to wait than it was to work."

His good wife being on a visit to Guntersville and being very seriously ill, Brother Melton, of course, was at her side. The writer was in Guntersville and preached on Sunday, May the 6th. That afternoon Brother Melton, quite feeble, called to see us. A little later we went to his daughter's, Mrs. W. C. Rayburn, to see his wife, who was slowly improving. Not many days later, the summons unexpectedly came to the weary itinerant and on May the 25th, 1917, he went home to be with God. Two Sundays before he had preached his last sermon, using the text, "For they that say such things declare plainly that they seek a country." He said to an old friend the day before he died, "I know, now, that I am approaching the river, but I am sure that when I get to it, I can step across." His crossing was easy and such had been his beautiful life that he did not have far to go to find Heaven. The Lord had been with him all the time.

Brother and Sister Melton had lost by death a daughter in 1887, who passed

away in her sixteenth year. They reared a family of five worthy daughters and one devoted son: Mrs. G. W. Roberts, Porterville, Ala.; Mrs. W. C. Rayburn, Guntersville, Ala.; Mrs. C. G. Shores, Warrior, Ala.; Mrs. J. A. Collins, Woodlawn, Ala.; Mrs. A. B. McEachin, Tuscaloosa, Ala.; Dr. W. F. Melton, professor in Emory University, Oxford, Ga.

Sister Melton, who is residing with her daughter, Mrs. McEachin, in Tuscaloosa, not only has the sympathy and love of her immediate family, but thousands who knew and loved her honored husband, feel for her in her great bereavement. God will comfort the broken home and in His own good time will unite the whole family in the Father's House above.

WILLIAM WALLACE DORMAN.

William Wallace Dorman was born in Spartanburg, South Carolina, Feb. 3rd, 1858. He was the son of Ebenezer and Elizabeth Dorman. At the age of 12 years he was converted and joined the Methodist Church, and devoted his whole life to the service of his Lord. While yet a child he removed to Mississippi and was educated at Blue Mountain Academy and Vanderbilt University. He joined the North Mississippi Conference in 1876, being only 18 years old. On Dec. 20th, 1881, he was happily married to Miss Frances Steger. To this union were born four children, two girls and two boys. One of the girls died in early childhood. The other three are still living and with their mother mourn their great loss. In 1891 he was transferred to the North Alabama Conference and served Scottsboro for four years and was then transferred to the N. W. Texas Conference, where he remained four years, serving Baird station two years and Whitney two years. He was then transferred back to the North Alabama Conference and served the following charges: Collinsville, Blocton, Jonesboro, East Lake, Springville, Albertville, Walker Memorial in Birmingham, Holmes St., Huntsville, Ensley Highlands and Montevallo. He was appointed to Montevallo at the Conference held in Bessemer in 1916. This was his last appointment.

Brother Dorman was a good preacher, pleasing in manner, forceful and clear in deliverance. He was sound in doctrine and the people to whom he preached had the gospel given to them in much earnestness. He was true to his ministerial vows and sought in all ways to build up the kingdom of God. He always accepted his appointments, though some time hard, with becoming grace. More than a thousand souls were added to the church under his ministry and he was always seeking more for the Master he served.

In his home life he was all a husband and father could be. By example and precept he sought to make the parsonage family an example to the flock he served. As a friend he was warm-hearted and loyal. It was a great pleasure to be with him and enjoy his fellowship. He loved his brethren and was always interested in their welfare and rejoiced in their success. At Montevallo, his last charge, he had won for himself a warm place in the hearts of his people. Not only was this true of his own church but also of other denominations. The pastor of another church, writing about his death, speaks of him in highest terms as a fellow worker and the hold he had upon the town. Soon after he went there his health began to fail and in May he became much worse and soon was unable to preach any more. He suffered much but in it all was patient and submissive. On Sunday morning, when he could no longer go to church he had his bed placed near a window opening towards the church, where he could hear, and as long as he was able would join in the singing. His people were devoted to him and did all in their power for him. He was very anxious to preach one more time and had prepared notes on the sermon he wished to preach, taking for his text John 15-17: "These things I command you, that ye love one another." This was an expression of the desire of his heart.

On Tuesday, September the 4th, at the parsonage in Montevallo, he closed his eyes in sleep and passed from earth to heaven, to behold the King in His beauty and enjoy His presence forever. On Thursday following we laid his body in the quiet little cemetery at Ryland, Ala., to await the Resurrection Morn. A good preacher, a brother beloved has passed from us; but we know where to find him.

J. D. SIMPSON.
